Cameras with MT9P006,  
and MT9J003 Sensors**

## End of Life (EOL) Notice: Cameras with MT9P006, and MT9J003 Sensors

This is a formal notification that The Imaging Source is initiating the End of Life (EOL) process for the products listed in the table found on page 3.

Unfortunately, we have been informed by our supplier, onsemi, that they will discontinue the sensors MT9P006 and MT9J003.

### EoL Timeline

The table below describes the end-of-life milestones, definitions and dates.

Milestone	Definition	Date
End-of-Life notification date	Date of the published document	18 April 2024
Last-time-to-order date	The last date to order the product via The Imaging Source sales channels. After this date we can no longer guarantee a supply.	17 May 2024

We hope that this notification allows you time to complete existing projects and shift future projects to one of our other advanced products.

The following table includes the discontinued products as well as suggested alternatives for these products.

Please do not hesitate to [contact](#) our sales department if you have any questions or need additional information.
