

**End of Life (EOL) Notice:
Cameras with MT9V024,
MT9P031, and P031 Sensors**

End of Life (EOL) Notice: Cameras with MT9V024, MT9P031, and P031 Sensors

This is formal notification that The Imaging Source is initiating the End of Life (EOL) process for the products listed in the table on [page 3](#) of this document.

The announcement means that a product or product series had entered the final phase of The Imaging Source product life cycle and serves as advance notice of product termination.

EOL Timeline

The table below describes the end-of-life milestones, definitions, and dates.

Milestone	Definition	Date
End-of-Life notification date	The date of this document.	11 NOV 2022
Last-time-to-order date	Last date to order product via The Imaging Source sales channels. The product cannot be ordered after this date.	15 JAN 2023

We hope that this notification allows you time to complete existing projects and shift future projects to one of our other advanced products.

Please do not hesitate to [contact](#) our sales department if you have any questions or need additional information.
